Civil Case No. 96-00055

ORDER

Presently there are two pending motions¹ in this case which have been referred to the below-signed Magistrate Judge. It appears that briefing on said motions are complete, however, because of the extensive procedural history involved in this action, the Court believes that oral argument would aid the Court in reaching a determination on the motions. Accordingly, the Court schedules both motions for hearing on Thursday, April 26, 2007, at 10:00 a.m. Furthermore, the Court will permit off-island counsel to participate in said hearing via telephone or video-conference, provided that notice of said participation be filed no later than one week prior to the hearing.²

² All logistical questions should be directed to the Court's systems manager Charles White.
